Thanks Sue for your thoughtful response. I find the attachments you included quite informative, especially these passages from the ILSI workshop report (p. 70):

# Ex. 5 Deliberative Process (DP)

And

# Ex. 5 Deliberative Process (DP)

Thank you also for taking a look at the methods for ovarian count in the Xu study and providing your perspective.

-Kathleen

**Subject:** Decreased primordial follicle count BMR

Hi Sue, do you have thoughts that might inform a biologically based BMR for the reproductive endpoint of decreased primordial follicle count? This question has come up recently for BaP and HBCD.
